# HEALTH SERVICES

- Primary, secondary and some tertiary health care services are available to all registered Syrians at subsidized highly subsidized prices at Public Health Centres and Governmental Hospitals
- Governmental health services are available through public health care centers and governmental hospitals that cover all governorates, thus; you can identify services near to your residency by asking your neighbors. There are no governmental hospitals in the governorates of Aqaba and Tafleeh, however you can access hospital services in the Royal Medical Service hospitals in these governorates (Prince Hashem Hospital in Aqaba and Prince Zeid Hospital in Tafleeh)
- Patients must present a valid UNHCR registration certificate and security card in order to receive services at subsidized prices.
- Note that if the UNHCR registration certificate is expired, the refugee will have to pay for the service provided at the foreigner's rate and you will not be able to get the subsidized rate.
- UNHCR will be able to cover the cost of treatment for patients through JHAS clinics if:
  - a) Patient cannot afford to pay for the treatment at PHCs and governmental hospitals (the case have been evaluated as a vulnerable case).
  - b) Patient cannot get a subsidized price for the treatment needed at PHCs and governmental hospitals (hold invalid UNHCR certificate or invalid security card).

### Primary Health Services

- Primary health care services are available to all registered Syrians at subsidized prices at Public Health Centers and Governmental Hospitals if they present a valid UNHCR certificate and Mol card.
- Primary health services are available in JHAS clinics as per the conditions outlined in paragraph A.

### Pregnancy and Delivery Services

- Delivery services are available at subsidized prices in all governmental hospitals for Syrians holding a valid UNHCR registration and Mol card.
- Pregnant Syrian women whose UNHCR registration will expire before the expected delivery date are kindly requested to visit UNHCR registration center to arrange for the registration renewal. UNHCR unfortunately can no longer cover the costs of deliveries for women whose registration has expired more than one month prior to the delivery.

- If you do not have a valid UNHCR registration or MOI card or receive monthly or urgent cash assistant then you should access nearest governmental hospital and notify the nearest JHAS clinic within 48 hours to consider the possibility of covering the cost of delivery.

### Emergency Health Care

- Emergency services are available free of charge in all governmental hospitals for Syrians holding a valid UNHCR registration and security card.
- If you have a medical emergency, which necessitate urgent admission to a public hospital, and do not have a valid UNHCR registration or MOI card or receive monthly or urgent cash assistant then you must notify the nearest JHAS clinic within 48 hours to consider the possibility of covering the cost of treatment.

**In Aqaba and Tafleeh only, in case of an emergency including delivery you can access RMS hospitals as they are the only available hospital services in these governorates. You must inform the JHAS MMU within 48 hours of admission by calling on 077-5006028**

**In cases requiring non-urgent hospital services, you must visit public health centers and follow normal referral procedure.**

- If you have any problem with the security card, you can be assisted through Legal Aid at 06 4617474

### Tertiary Health Care (for Registered Refugees)

- Treatment for costly tertiary care requires pre-approval from UNHCRs Exceptional Care Committee (ECC), which is held on a monthly basis. You can find out if you are eligible for this service through any JHAS clinic.

### Mental Health Services

- Mental health services are provided for registered Syrians in all JHAS clinics listed below. These services are provided through the International Medical Corps (IMC).

### Nutrition support services

- Nutrition support for children suffering from malnutrition is available free of charge through all JHAS clinics listed below

## JHAS Clinics (Jordan Health Aid Society)

## RESETTLEMENT

### WHO CAN GET IT?

Resettlement is not a right and the selection of refugees for resettlement is based on global criteria and only the most vulnerable refugees will be considered.

### WHO DECIDES?

The decision to accept a refugee for resettlement is made by the Resettlement country and not UNHCR. If your case is rejected by one resettlement country, UNHCR will re-assess your case and decide whether to re-submit your case to another resettlement country.

# IMPORTANT INFORMATION

All UNHCR Services are provided **FOR FREE**

## PLEASE BE AWARE OF FRAUD

Please be reminded that all UNHCR services are free of charge, including resettlement services. If anyone (UNHCR staff or an outside party) offers UNHCR resettlement assistance of any kind in exchange for money or other benefits, this person may be breaking the law and could be charged with a crime. If you are approached by anyone seeking money in exchange for resettlement or you have been paying for resettlement assistance, please report the incident immediately, by including a complaint in the Complaints Box or by contacting the InfoLine. You can also contact a Senior UNHCR Staff Member.

**IF YOU CHANGE YOUR PHONE NUMBER**, please inform UNHCR as soon as possible, as this is our only means for contacting you.
